* Deceased

ORGANIZATION

OF THE CITY GOVERNMENT

Tuesday, March 22, 1932.

At ten o'clock in the forenoon of the above date, members-elect of the city council for the municipal year of 1932, and the members from the previous council, met for organization at the city council room agreeably to the provisions of the city charter.

The oath of office was administered to the Mayor-elect, Hon. Charles E. Carroll, by Harold E. Wescott, Esq., after which Mayor Carroll assumed the duties of his office. The oath of office was also administered to the following councilmen by Mr. Wescott.

Ward 1—James B. Dodge

Ward 2—Almeda J. Belanger

Ward 3—George E. Stevens

Ward 4—Joseph J. Morin

Ward 5—Henry I. Burbank

Ward 6—Harry L. Clow

Prayer was then offered by the Rev. Ernest R. Caswell, after which the Mayor delivered his inaugural address.

INAUGURAL ADDRESS

Members of the City Council

Ladies and Gentlemen:

This year, as last, we have reduced the indebtedness of the City forty-six thousand two hundred and fifty dollars, making a total reduction of ninety-two thousand five hundred dollars in two years.

The members of the City Council of nineteen thirty and thirty-one deserve a great deal of credit for supporting your Mayor in his desire that this be accomplished.

I sincerely trust that you, gentlemen of the Council, will grant me the same support in a further reduction of the City debt amounting to forty-one thousand two hundred and fifty dollars during your term of office.

I have repeatedly stated that I do not believe in the issuance of bonds, but strongly favor a discount for the early payment of taxes, in anticipation of the City's needs, so doing away with borrowing money to any great extent.

All departments must realize their responsibility in the economical administration of public funds, and do all in their power to give the taxpayers of Laconia value for the money spent.

We have been notified by the County Treasurer that seventy-two thousand six hundred and thirty-one dollars and eighty-eight cents must be raised by taxation to pay the County Tax for the ensuing year. As this is twenty-six thousand eighty dollars and fifty-eight cents additional of last year's tax it requires your serious consideration.

As approximately fifty-four per cent of Belknap County's expenditures are paid by the City of Laconia, the taxpayers of this City should give more attention to County Disbursements.

I thank the people of Laconia for the confidence placed in me as shown by the splendid vote given, and sincerely trust that we may show some advancement in a not too prosperous era.

During the coming year the meetings of the Council will continue to be opened with prayer.

This is not the time to regret our past extravagancies. It is the time to be of one mind and to set our house in order.

Mr. Clerk—let us proceed to the election of officers.

MUNICIPAL REGULATIONS

FOR PAYMENT OF BILLS AGAINST THE CITY

All bills against the city must be approved by the persons authorizing the charge; unless this is done, no action can be had upon the bill by the committee on accounts and claims, and no order will be given for its payment.

When bills are certified to as above, and left with the City Clerk not later than Thursday at 12 o'clock M., preceeding the last Monday of each month, they will be audited by the committee on accounts and claims, and if approved by them and allowed by the Council, will be ready for payment on the following Wednesday, at the office of the City Treasurer.

Meetings of the committee on accounts and claims are held on Friday preceeding the last Monday of each month at 7:30 P. M., at the City Clerk's office.

CITY GOVERNMENT

LACONIA, N. H.

Inaugurated fourth Tuesday of March, yearly. Stated meetings: The last Monday of each month at 7:30 o'clock P. M., at city council room, 68 Pleasant Street.

RESOLUTIONS

In the Year of our Lord one thousand nine hundred and thirty-two.

A RESOLUTION authorizing the city treasurer to hire money in anticipation of taxes.

Resolved by the City Council of the City of Laconia, as follows:

That the city treasurer be and hereby is authorized to hire on the credit of the city, a sum of money not exceeding twenty-five thousand dollars (\$25,000.00) in anticipation of taxes for the present year. The same to be borrowed upon notes of the city, signed by the mayor and treasurer and countersigned by the city clerk.

Passed and approved February 29, 1932.

CHARLES E. CARROLL,
Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

A RESOLUTION tendering a discount on real estate taxes paid before August 1st, 1932.

Resolved by the City Council of the City of Laconia, as follows:

That the tax collector be authorized to receive deposits to apply toward the payment of taxes when taxes are assessed or payable.

Deposits made or taxes paid shall be subject to discounts as follows:

On or before April first 4%

On or before May first 3½%

On or before June first 3%

On or before July first 2½%

On or before August first 2%

Except that no discounts shall be made on poll taxes.

Passed and approved March 28, 1932.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

A RESOLUTION authorizing temporary loans to an amount not exceeding Two Hundred Thousand Dollars in anticipation of the taxes of the present Municipal year.

Resolved by the City Council of the City of Laconia, as follows:

That for the purpose of meeting current expenses of the City, the City Treasurer be and hereby is authorized and empowered to make temporary loans from time to time for the use of said City of sums not exceeding the aggregate amount of \$200,000.00, said loans being in the anticipation of the taxes of the present municipal year and hereby expressly made payable therefrom, and to give for such loan

subject to the written approval of the Committee on Finance, notes of the City, each note to become due and payable within one year from its date and no such note shall be valid unless authenticated by the certificate of the National Shawmut Bank of Boston, Massachusetts. Said notes shall be signed by the Mayor and City Treasurer and countersigned by the City Clerk, shall be registered in the books kept for that purpose in the offices of the City Treasurer and City Clerk respectively.

This resolution shall take effect upon its passage.

Passed and approved March 28, 1932.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

A RESOLUTION requiring the Overseer of the Poor to demand and secure uniform prices on all merchandise purchased by his department.

Resolved by the City Council of the City of Laconia, as follows:

That the Overseer of the Poor shall demand and secure uniform prices for all merchandise purchased by his department on a basis of cost plus ten per cent.

This resolution shall take effect upon its passage.

Passed and approved June 10, 1932.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

A RESOLUTION requiring all able bodied persons receiving City aid to accept employment offered by the Board of Public Works and the Poor Department.

Resolved by the City Council of the City of Laconia, as follows:

That all able bodied persons receiving aid from the Poor Department of the City of Laconia shall accept employment and perform such duties as are required of them by the Board of Public Works and the City Poor Department.

This resolution shall take effect upon its passage.

Passed and approved June 10, 1932.

CHARLES E. CARROLL,
Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

A RESOLUTION requiring the Overseer of the Poor to publish in the annual City Reports the names of all persons receiving aid from the City, except those who are exempt by law.

Resolved by the City Council of the City of Laconia, as follows:

That the Overseer of the Poor shall publish in the annual City Reports the names of all persons receiving aid

from the City of Laconia, except the names of such persons as are exempted by law from being so published.

This resolution shall take effect upon its passage.

Passed and approved June 10, 1932.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

A RESOLUTION making appropriations for the year ending February 15, 1933.

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

A RESOLUTION transferring the control, custody and maintenance of the Public Wharf at the foot of Gale Avenue to the Board of Public Works of the City of Laconia.

Resolved by the City Council of the City of Laconia, as follows:

That the Public Wharf located at the foot of Gale Avenue shall hereby be transferred to the Board of Public Works of the City of Laconia and said Board shall hereafter have full control, custody of said wharf and shall be accountable for its proper maintenance.

Passed and approved July 25, 1932.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

A RESOLUTION authorizing an appropriation for the making of permanent repairs and improvements on the Meredith Center Road, so-called, in said Laconia.

Resolved by the City Council of the City of Laconia, as follows:

That the sum of \$9,012.62, be and the same is hereby appropriated for the purpose of making repairs and improve-

ments on the Meredith Center Road, so-called, in said Laconia. Said sum so appropriated to be expended by the Board of Public Works in the making of said permanent repairs and improvements, and the City Treasurer is hereby authorized to borrow on the credit of the City said sum of nine thousand twelve dollars and sixty-two cents, without interest, on such terms and time as the Mayor and Finance Committee shall deem proper, and agreeably to the Governor's proclamation for the permanent improvement of a section of highway, and that the same be expended on the Meredith Center Road, so-called.

This resolution shall take effect upon its passage.

Passed and approved August 29, 1932.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

A RESOLUTION authorizing an appropriation of \$2000.—
for investigation of the sanitary condition of the Lakes
and rivers in Laconia.

*Resolved by the City Council of the City of Laconia, as
follows:*

An appropriation of a sum not to exceed \$2000.—
is hereby authorized for the investigation of the sanitary
condition of the Lakes and Rivers in Laconia.

Metcalf & Eddy, engineers of Boston, Mass., are hereby
authorized to make said investigation in conjunction with

the City Engineer. If the engineers shall determine that no treatment project is required the entire expense of the investigation shall be assumed by the State.

This resolution shall take effect upon its passage.

Passed and approved Aug. 29, 1932.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

AN ORDINANCE in amendment of an Ordinance passed and approved June 29, 1931 entitled, 'An Ordinance in amendment of an ordinance relating to the regulation of street traffic' as passed and approved July 2, 1923:

Be it ordained by the City Council of the City of Laconia, as follows:

Amend Section 13 of said Ordinance by inserting after the word 'sunrise' in section 13 of said ordinance, the following: 'except in that part of Laconia known as the Weirs,' so that said Ordinance as amended shall read as follows:

Section 13. No motor vehicle shall be parked on a public street to remain continuously so parked during the

period from midnight to sunrise, except in that part of Laconia known as the Weirs and except in case of emergency.

Passed and approved April 25, 1932.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

AN ORDINANCE repealing an ordinance passed and approved June 29, 1931, entitled, AN ORDINANCE relating to the regulation of parking on Union Avenue.

Be it ordained by the City Council of the City of Laconia, as follows:

Section 1. An ordinance relating to the regulation of parking on Union Avenue, passed and approved June 29, 1931, is hereby repealed.

Passed and approved April 25, 1932.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

AN ORDINANCE relating to the licensing of auctions of used motor vehicles brought into the City of Laconia

for the purpose of selling them at Public Auction.

*Be it ordained by the City Council of the City of Laconia,
as follows:*

Section 1. License. Any person, firm, or corporation bringing into the City of Laconia used motor vehicles for the purpose of conducting a public auction of said motor vehicles, shall first procure from the City Clerk a license to conduct said auction.

Section 2. The City Clerk shall, if satisfied that the applicant is of good character, and upon receipt of the sum of Fifty (\$50.00) Dollars, issue a license to the applicant to conduct an auction. Said license shall set forth the time, place, and date on which the auction shall be held.

Section 3. Penalty. Any person, firm, or corporation holding a public auction contrary to the provisions of the two preceeding sections shall be fined Twenty Dollars and shall not be entitled to a license to hold an auction for the term of one year after conviction of an offence under the provisions of this ordinance.

Passed and approved this 25th. day of April, 1932.

CHARLES E. CARROLL,

Mayor.

*In the Year of our Lord one thousand nine hundred and
thirty-two.*

AN ORDINANCE fixing the salary of the Overseer of the Poor.

*Be it ordained by the City Council of the City of Laconia,
as follows:*

Section 1. The Overseer of the Poor shall receive in full for his services the sum of Six Hundred (\$600) Dollars per annum, payable in twelve equal monthly payments of Fifty (\$50) Dollars each.

Section 2. All Ordinances or parts of Ordinances inconsistent herewith are hereby repealed.

Passed and approved April 25, 1932.

CHARLES E. CARROLL,
Mayor.

*In the Year of our Lord one thousand nine hundred and
thirty-two.*

AN ORDINANCE in amendment of certain Ordinances relating to the regulation of Street traffic.

*Be it ordained by the City Council of the City of Laconia,
as follows:*

Sec. 1. Amend an Ordinance passed and approved May 27, 1929, relating to parking on Main and Pleasant Streets by striking out Section 2 of said Ordinance.

Sec. 2. Amend an Ordinance passed and approved June 24, 1929, relating to parking on Canal Street by striking out Section 2 of said Ordinance.

Sec. 3. This Ordinance shall take effect upon its passage.

Passed and approved Nov. 28, 1932.

CHARLES E. CARROLL,
Mayor.

In the Year of our Lord one thousand nine hundred and thirty-two.

AN ORDINANCE relating to the regulation of parking on Davis Place.

Be it ordained by the City Council of the City of Laconia, as follows:

Section 1. No vehicle shall stop or stand on the northerly side of Davis Place, a public highway in the City of Laconia, between the hours of 7 A. M. and 7 P. M.

Section 2. Penalty. Any person violating the provisions of this ordinance shall be punished by a fine not exceeding five dollars.

Section 3. This ordinance shall take effect upon its passage.

Passed and approved November 28, 1932.

CHARLES E. CARROLL,

Mayor.

REPORT OF THE SCHOOL BOARD

To the Honorable Mayor and City Council:—

At the beginning of the school year September 7, 1932 all of the teachers accepted a reduction in salary of five per cent with a further understanding that on March 1, 1933 they would accept two and one half per cent more making a total for the school year 1932-33 of seven and one half per cent. The school board hopes that with this reduction, and with saving in the costs of books, supplies etc., as the prices have been reduced considerable, that the school year may be closed without much of a deficit if any. In accepting this reduction I do not believe any member of the school board ever heard one word of criticism from the teachers. They all realize the conditions and are certainly co-operating in every way possible to help the City of Laconia in this present depression.

We have the same crowded condition and even more so now than at this time (February) last year. In the Laconia High School Building last year we had at this time (February) 815 students, now we have 911 or nearly a hundred more in the building, and we were crowded last year. Mr. Gilman is under the impression that next year there will be another increase of one hundred making some thousand students in the Laconia High School Building that was erected for 750, or 250 more than the building was built to accommodate. If Laconia is going to keep in step with other schools not only in the State of New Hampshire but elsewhere a new building must be erected in the near future. The best work cannot be accomplished in such crowded conditions.

During the month of January we had five meetings at the various school buildings, talks being given by members of the State Board of Education and others. Mr. Gilman

was unable to attend two of the meetings by reason of sickness. The three meetings that he did attend he gave splendid talks, and he had all the figures necessary on charts so that the citizens of Laconia should understand a great deal more as to the condition of our schools. I am sure that the school board feels grateful to Mr. Gilman for collecting all the figures and presenting them to the citizens in such an able manner.

To me the report of the school board is rather superfluous, but on the other hand the report of the Superintendent is essential and I believe more in our case because our Superintendent gives a very fine and instructive report and I again sincerely urge you to give this report your careful consideration.

Laconia School Board by,

WAYNE M. PLUMMER,

Chairman.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Laconia, N. H., February 1, 1933.

To the School Board of Laconia:

I wish it were possible for every citizen to get a true picture of the schools of Laconia. This picture would include the number of children in each school, and especially would it show that the total registration in the high school has grown from 603 during the school year 1923-1924 to 954 for this school year.

The picture would show also the subjects that each boy and girl is taking in the twelve grades of the school system, and in this connection it would record the increase in numbers taking practical art courses in the high school, while the number taking academic subjects remains practically stationary. It would show that so-called fads and frills have never had a place in the schools of Laconia, and that the schools have always been maintained at a low cost, whether considered from a valuation cost or a per pupil cost. This picture would show a teaching force well prepared, earnest, and conscientious in the performance of duty for the best interests of the boys and the girls of Laconia, and a School Board untiring in its efforts in maintaining high standards in the schools and at the same time practicing true economy in all ways.

If the people of Laconia would familiarize themselves with conditions in the schools, I feel sure there would be

fewer unfounded rumors, and less unwarranted criticism, and that closer co-operation between home and school would result in greater benefit to our boys and girls.

With the hope that the citizens of Laconia may become better acquainted with their schools, I urge them to visit the schools and to seek full information from those in a position to have accurate details about them; I also call attention to the statistics in this report with the hope that they may help in informing readers regarding conditions.

TABLE NO. 1

Data for school year ending June 30, 1932.

	Grades I-VI	VII-VIII	IX-XII	Even. Sch.	Tot.
Different pupils enrolled	958	340	518	142	1958
Average membership	903	324	480		1707
Cases of tardinesses	490	252	440		1182
Pupils not absent or tardy	102	37	45		184
Tuition pupils	56	38	53		147

Comparing these totals with those of the previous year, there was an increase of 89 in the total enrollment and 128 in the average membership.

There was a much larger number of tardinesses due to the fact that pupils were not excused in advance for tardiness or because of the late arrival of transporting busses. Conditions in this respect show an improvement this year.

The total enrollment in the day schools this year is 1908, with 175 in the evening school; a total of 2083.

The enrollment at St. John's school is 228 and at St. Joseph's 670.

Years	Grades 1-6	7-8	9-12	Totals
1923-1924	750	197	358	1305
1924-1925	807	216	302	1325
1925-1926	853	219	320	1392
1926-1927	869	247	315	1431
1927-1928	863	270	336	1469
1928-1929	882	285	346	1513
1929-1930	877	285	364	1526
1930-1931	870	285	424	1579
1931-1932	903	324	480	1707

The enrollment in the elementary schools one year ago was 909. At the present time it is 900. One year ago there were 30 teachers in the elementary schools. Today

there are 28 and the average number of pupils for each teacher is 32. Four teachers have between 20 and 25 pupils, seven have between 25 and 30, nine have between 30 and 35, four have between 35 and 40, four have between 40 and 45. Another large beginning grade at Academy Street will complicate matters considerably at that building and will make necessary another teacher or the removal of some of the children to other buildings.

Enrollment in the high school in January, 1931, was 718. In January, 1932, it was 813. In January, 1933, it is 911. In January, 1934, it promises to be 1000 plus. These increased numbers are being housed in a building that was crowded one year ago, and are being taught by the same number of teachers.

How long these increases of one hundred a year can be cared for under present conditions without serious detriment to the physical and educational welfare of the boys and girls themselves, we are unprepared to state.

It would seem, though, that if Laconia is to continue the high standard her schools have had, some serious consideration must be given soon to the problem of providing enlarged facilities for the high school.

To the statement that "When business picks up many boys and girls will leave school and go to work," this answer seems to apply "Boys and girls want an education, their parents are anxious for them to go to school, and besides it will be a long time before there will be a demand for child labor again."

It has been suggested that the seventh and eighth grades be moved to the Academy Street building and that the schools in that building be moved to Bowman Street. Anyone familiar with the situation knows that there are one hundred more children at Academy Street than can be accommodated in the Bowman Street building after that

building has been remodelled and approved by the State Board of Health. It is also a fact that there are more pupils in Grades seven and eight than can be accommodated in the Academy Street building.

Of course, the two platoon system might be inaugurated in the high school. By this plan one half, perhaps Grades X, XI, and XII, would come early enough in the morning to do all of their work before noon. The other classes would then come to school and remain late enough in the afternoon to complete their work. It would seem that some such arrangement as this would have to be made before long if the enrollment continues to grow.

	—	—	—	—	—	—	—
	1	2	6	1	4	2	16
	—	—	—	—	—	—	—
Totals	2	6	11	3	10	5	37
No. in Grades VII and VIII—31 @ \$66.50							\$2,061.50
(\$1.75 a week x 38 weeks \$66.50)							
No. in Grades IX-XII—60 @ \$85.50							\$5,130.00
(\$2.25 a week x 38 weeks \$85.50)							
No. in Grades I-VI—37 @ \$46.25							\$1,711.25
(\$1.25 a week x 37 weeks \$46.25)							

Table No. 3 shows that crowded conditions are due in no way to pupils from other districts except for home room seats in the high school. There are not enough tuition pupils in any one class in the high school to make extra divisions necessary or to require more teachers. And surely a glance at the table will show that tuition pupils do not overcrowd the grade buildings.

Tuition rates were increased twenty-five cents a week in each grade this year with a resulting increase of approximately \$1200 in tuition receipts.

TABLE NO. 4

PRACTICAL ARTS AND LATIN

Class	1933	1934	1935	1936	Total
Home Economics	30	31	44	51	156
Mechanic Arts	29	47	47	58	181
Commerce	25	51	63	71	210
Latin	9	22	45	71	147

Attention is called to the above table which shows a comparison between the numbers taking practical arts

subjects and those taking Latin. In an enrollment of practically 600 at the present time in Grades IX to XII there are about the same number taking the Academic course as there was when the school was one-half the present size, or even smaller. The great increases have come in the practical arts courses, Home Economics, Mechanic Arts, and Commerce. And today, owing to the large numbers in these courses and to the size of the classes as compared with those in academic work, the practical arts courses are not the most expensive to maintain.

For this reason, we feel sure, no one would argue that the college preparatory courses should be dropped. Every boy and every girl in Laconia should have an opportunity to prepare for college or other post-secondary institutions in our high school. Likewise all who will benefit by taking the work offered in the practical arts courses should have opportunity to do so.

Those people who would favor curtailing the practical arts courses do not seem to realize that no financial savings could result. If boys and girls were not taking the practical arts courses, they would be forced into other courses, thereby increasing the number of classes and the number of teachers for those classes.

In 1907 there were 163 in the high school, grades nine to twelve; in 1912 there were 175; in 1917, 258; in 1922, 285, in 1927, 315. Last year the average membership was 480. At the present time the membership is 590, more than twice what it was ten years ago and nearly double the membership of five years ago.

TABLE NO. 5

	Aver. Mem- bership	Current cost	Aver. cost per pupil	Average cost per pupil for text books	Average cost per pupil for and sup.
1923	1270	\$ 94,801.28	\$74.65	\$48.64	\$3.20
1924	1305	117,963.00	90.39	54.03	4.47

1925	1324	114,515.81	86.49	56.25	4.29
1926	1392	120,068.87	86.26	56.76	3.96
1927	1432	122,468.08	85.52	57.15	3.65
1928	1470	123,085.11	83.73	58.88	3.09
1929	1513	133,451.76	88.20	59.29	3.20
1930	1526	132,941.41	87.12	59.63	2.87
1931	1579	131,275.70	83.14	57.32	3.25
1932	1707	133,456.35	78.18	55.30	2.75

Careful study of this table is urged. It covers the last year of the 8-4 plan of organization, 1922-1923, and nine years under the present 6-6 plan. It shows that during the nine-year period under the present plan enrollment has increased 31% in comparison with a 13% increase in the cost of maintaining the schools.

It shows that in 1923-1924, the first year under the present system, the average cost per pupil was \$90.39, which was not approached again until during the high prices of 1929. The average cost last year was \$10.02 less than in 1929, and \$12.21 less than in 1923-1924.

While the average cost per pupil for teachers' salaries last year was \$1.27 more than in 1923-1924, the first year under the present salary schedule, it was \$4.33 less per pupil than the highest average in 1929-1930.

The average cost for books and supplies, \$2.75 per pupil last year, was less than it has been for a long time, due (1) to lower prices in supplies, and (2) to the fact that many books are being used now, in a worn and dilapidated condition, that ordinarily would have been replaced by new ones.

Two important facts need to be borne in mind in a consideration of the cost of maintaining the schools during this period. (1) The amounts presented are for current costs only and do not include payments for debt and interest which have decreased annually since 1923. In June, 1924, the School District had notes outstanding to the

amount of \$40,000 and bonds outstanding valued at \$213,750, a total indebtedness of \$253,750.00. Last year the last note of \$5000 was retired and the bonded indebtedness had been reduced to \$112,500.00. (2) Increase in the number of pupils has come largely in the upper grades of the high school and not in the elementary grades. The per pupil cost in the high school last year was \$112.14. In the elementary schools the per pupil cost was \$64.42.

The median per pupil cost for the high schools of the state was \$118.51; for the elementary schools, \$82.11.

There are seven school districts in New Hampshire with a population between 10,000 and 20,000 (from 10,209 to 20,018). The average cost per pupil, elementary schools and high school, in these places for the school year ending June 30, 1932, was \$76.31, \$76.67, \$78.18, \$79.19, \$79.47, \$80.62, \$102.00. As has been shown in the table Laconia's average was \$78.18.

In the cost of the schools per \$1,000.00 of equalized valuation last year, Laconia was in fourth place among the cities, and in 33d place among the 243 school districts of the state.

No attempt is made here for a comparison with other activities. Our principal interest is for the welfare of our boys and girls. Some one has well said "Our boys and girls are growing up. They must be educated now. There are some things that can wait."

What of the graduates of the high school? In 1922 there were 29 graduates; in 1932, 74. Of 64 graduates in 1931, 35 or 55% continued their studies in college or other post-secondary schools. Of the 74 who graduated last June, 35 entered college, normal school, and other institutions beyond high school. Those who go away to school are not all graduates of the Academic course. Some took the Mechanic Arts Course; some, the Home Economics course;

and others, the Commerce course. Letters announcing the fact that a certain graduate is an honor student, that another stands second in his class, that others are on the Dean's list, that another had for a semester ranks, A plus, 2 A's, A minus, B plus, and B are very gratifying.

The success of the extra curricular activities continue in debating, music, and scholarship contests. Last spring the orchestra won first place in the all-state contest, thereby winning one point toward the permanent possession of a trophy to be given to that school that wins first place three times.

There have been only two changes in the teaching staff since the last annual report. Last June Miss Gertrude Sullivan, director of physical education for the girls and teacher of Junior Business Training for three years, resigned. Her place was taken this year by Miss Alice Jackson. During the fall term Miss Mary L. Chase, a teacher in the lower grades for many years, resigned. Miss Hilda Brooks was chosen to succeed her.

The teachers of Laconia are well trained, every teacher eligible for a permanent state certificate has one; conscientious in the performance of their tasks, having accepted greater teaching loads with lower salaries this year without complaint; solicitous for the welfare of the boys and the girls, in addition to donating from their salaries for several months to a fund to be used in providing for the physical needs of the children many have made additional contributions.

I take this opportunity to express my appreciation to these teachers for their loyalty, to the School Board for their cooperation, to the organizations that have contributed funds for the welfare of the school children, and to those citizens who have a genuine interest in the education of the boys and girls.

I wish to close this report with two quotations that are

pertinent at the present time: "An education is the heritage that this generation owes the future generation." "What is the aim of education?" To me the aim of education is to teach us how to use the finest of the finest of tools -- our minds.

Respectfully submitted,

JOHN S. GILMAN.

LACONIA HOSPITAL REPORT

To the Honorable Mayor and Members of the Laconia City Council:

We are again bringing to your attention the valued services rendered by the Laconia Hospital and ask you to consider its present needs and assist us to carry forward the work and provide for its future growth.

Every year since its establishment the Hospital has shown a marked increase in the business done and an improvement in the service rendered.

A few years ago the Trustees Expended about seventy-five thousand dollars to enlarge our Hospital, that was necessary to have done to enable us to care for the increase in the work. A debt was incurred for that amount, some reduction has been made but we are still owing nearly fifty thousand dollars. We had expected with the outlay then made it would enable us to care for the work to be done for many years, but today we are faced with the urgent need for another enlargement. We are confident you are in sympathy with this work and will continue to do all in your power to help us.

CHARLES H. PERKINS, *President*
WILLIAM F. KNIGHT, *Secretary*

REPORT OF SUPERINTENDENT OF THE LACONIA HOSPITAL

To the President and Board of Trustees:

I submit the following Statistical report of the Laconia Hospital for the year ending Dec. 31, 1932.

Number of patients in hospital Jan. 1st., 1932	26
Number of admissions in 1932	Male 575
Number of admissions in 1932	Female 1033
Total number treated	1634
Number of days service given	16516
Average number of patients per day	45
Average length of time patients remained in hospital	10 d.
Obstetrical cases	205
Total Babies	197
One set of twins (premature)	
Medical cases	495
Surgical cases	1042
Children—medical	64
Children—surgical	307
	Total 371
Largest number of patients any one day	66
Smallest number of patients any one day	26
Number of operations performed—major	298
Number of operations performed—minor	744
	Total 1042
Number of X-Rays taken	1533
Number of Out-patients	1088
Number of patients discharged	1584
Number discharged well	1070
Number discharged improved	157
Number of deaths	56
Number of stillbirths	8
Number of Special Nurses employed by patients	59
Number of days used by Special Nurses	1774
Patients resuming responsibility of paying accounts	1482
County cases	56

City cases	27
Occupying endowed beds	1
Guests of the Hospital (Faculty and Pupil Nurses)	24
Of the fifty-six patients who died in the hospital, five were moribund when admitted.

Cash on hand Jan. 1st, 1933	\$ 480.12

Another busy year is the history of Laconia Hospital for 1932, exceeding our admissions of last year by fifty-one. It has only been by close planning and the splendid co-operation of our doctors that this number has been accommodated.

Room for expansion in our work is imperative. For lack of room at hospital, the class room at Nurses Home is being used for our clinics. Dr. J. Russell Perley has had charge of a Prenatal Clinic every month, with total attendance of forty-eight. At the request of several social workers, an invitation was extended by the Hospital Staff, to Dr. Ezra Jones, of Manchester, to conduct an Orthopedic clinic. Previously it was necessary to take such cases to Manchester. These clinics were held in June, September and December, with an attendance of sixty-seven Doctors or hospital service assisted Dr. Jones. The popularity and

necessity of these clinics give one a slight understanding of the possible development of hospital activities, had the institution more room in which to expand. The usual tonsil clinics of school children were taken care of as in previous years.

Because of constant use it has been necessary to repaint wards and many of the rooms. The cracked condition of the ceiling in small operating room required putting in a steel ceiling. For safety reasons the electric lines in this, the old part of the hospital, have been encased in B. X. cable and many more receptacles provided for electric equipment.

Through the generosity of Mrs. William J. Morrison, of the Weirs, in memory of her husband, a much appreciated Opera-Multibeam light was installed in the large operating room. This light is so constructed that a powerful light can be focused on any one spot, which is of inestimable value in surgery, also from same source a new sink with faucets operated by arms, was put in the wash room adjoining the delivery room.

Improvements on out side of the buildings were a twenty foot addition to the chimney at heating plant, re-roofing laundry, repairing cracks and re-inforcing foundation of same building. This Fall the ridge pole was painted and various outside vents on hospital proper. Many other repairs were cared for by our capable Janitor.

The Hospital Aid has been very active this past year. Through various channels they have earned six hundred and twenty-six dollars and thirty-nine cents. In addition to the supplies furnished by the Bands, they have spent three hundred and ninety-two dollars and fifty-six cents for other furnishings.

One unique feature this year was a Gift Garden. Miss Frances Beede of Meredith and Washington, D. C., an accomplished Landscape Architect, gave her services in

making blue prints for the plan of the grounds. In addition to shrubs and flowers purchased by the Aid, perennials were solicited, and the response was most generous. The bright blossoms in the garden on the north side of the hospital were a source of great pleasure to the patients who could look at them from their windows. With the development of the proposed roadway we shall hope to carry out further plans outlined by Miss Beede.

In May, under the direction of Mrs. Mary Neal Hannaford, a very pretty service was the planting of an Elm tree on the front lawn, by the Mary Butler Chapter of the D. A. R., and the placing of the Boulder with appropriate inscription. The Boys Band in their bright uniforms furnished music and the Girl Scouts sang tree planting songs which were much enjoyed by patients.

Our latest donation is a General Electric Radio with outlets so that each bed can be connected with either ear or pillow phones. This was secured through the efforts of Mrs. Clara Perley, chairman of the Spread Band. Mr. and Mrs. Isaac Sakansky provided outlets for rooms not privately furnished.

Donation week in October was a decided success and we wish to thank the many who contributed.

Our Training School Committee have met faithfully each month to consider problems, inspect records and act on applications of students. Sixteen students were admitted during the year and five discontinued training. Our present student enrollment is twenty-nine.

The Woman's Auxiliary of Belknap County Medical Society this year in addition to the five dollars given to the two students attaining highest average, added a similar award to the student doing the best practical work.

In January we arranged to give all students a three months course in Psychiatry at the State Hospital in Concord, N. H. We have changed our affiliation in Pediatrics

to the Children's Hospital, Portland, Maine. Affiliating with these larger hospitals entitles our students to membership in Red Cross nursing service.

In October, graduating exercises were held at the High School Auditorium for graduates of 1931 and 1932. General William F. Knight awarding the ten diploma's. The address of the evening was given by Rev. H. Carl Steinheimer, Pastor of the Methodist church. A much appreciated Panquet was given to the class by Trustees at the Virginia Dining Room. Representatives of local organizations welcomed the graduates into the community and invited them to join civic activities outside the hospital.

In June and again in October groups of nurses were shown through the State School for Feeble Minded. Dr. B. W. Baker explained the different types lacking mental development. Through the efforts of Mrs. Mary Davis, State Supervisor of Child Welfare and Public Health, the senior nurses were privileged to attend a course of lectures in Obstetrics given before Belknap County Medical Society, by Dr. James McCord of Atlanta, Ga. Other lectures were given by Miss Elizabeth Murphy, State Supervisor of Health and Mrs. Josephine Pitman Prescott, Nursing Consultant at Bellevue-Yorkville Health Center, New York. Miss Marion Garland, President of State Nurses Association gave a very interesting account of the National meeting of American Nursing Association, held at San Antonio, Texas, and of her thrilling experience taking the trip via air plane.

During the summer months the Faculty and Nurses have appreciated the hospitality of several doctors and friends who entertained them at their camps. Great pleasure has been derived by nurses from the following gifts: Ping Pong table, Master John Holt; Archery Set, Miss Lena M. Chase; Billard Table, Hospital Aid.

In May, Miss Dorothy C. Noxon of Fall River, assumed the position of Dietitian-Housekeeper. In June, Mrs. Pearl

Williams Wall returned to us to supervise the surgical service on second floor. In February, Dr. Ethel Stuteville was engaged to have charge of X-ray and Laboratory work. The increasing amount of work done in these departments shows the need of the Institution for the services of a full time physician.

At the very beginning of the year our hearts were saddened by the sudden passing of Dr. Charles S. Gilman, a member of our Hospital Staff. For several years he had given lectures to our student body. Dr. Gilman was a friend of the needy and much beloved by his patients. His genial cheerful countenance is missed at the hospital. An excellent likeness of him hangs in our Doctor's room.

To the Trustees I wish to express my gratitude for the privilege of attending the American Hospital Association convention at Detroit. These meetings are an inspiration and offer many valuable practical suggestions.

The Doctors have had their regular staff meetings each month, reviewing hospital analysis. Increasing interest has been stimulated by instructive papers for general discussion prepared by members of the staff. I wish to express to them my appreciation for their generosity both in giving lectures and caring for nurses when ill, and to my supervising staff for their co-operation and loyalty. The harmony and understanding of the whole hospital force has greatly helped to ease the tension of these trying times.

Respectfully submitted,

LILLIAN G. WILLIAMS, R. N.,

Superintendent.

REPORT OF BOARD OF HEALTH

To the Honorable Mayor and City Council:

The work of the Board of Health during the past year was along ordinary lines. There were no outbreaks of serious contagious diseases, with the exceptions of an epidemic of mild cases of mumps during the past two months.

Milk production and distribution was supervised as carefully as our limited finances would allow, and practically all of the milk sold here is more than satisfactory in quality.

Two suggestions are in order at this time:

First, that the old Police lockup which is a disgrace to any city, be replaced at once.

Second, that Laconia and the towns surrounding it unite in employing a full time Milk Inspector.

Signed,

J. GRANT QUIMBY, M. D.

J. R. PERLEY, M. D.

W. E. FLOYD

REGIS H. LEAVITT, R. N.

REPORT OF THE MILK INSPECTOR

The year 1932 brought some notable advances in methods of milk inspection. The production of clean wholesome milk means safety to the consumer and money in the pockets of the producer. It is as much the milk inspector's job to help the farmer to a better knowledge of clean milk production as it is to protect the consuming public. The

desire to produce cleaner milk must go hand in hand with the demands of the consumer that the milk be of the best quality.

This year bacterial counts were made by the direct microscope count methods as well as with the plate method. In this way accuracy was increased and identification of individual organisms was made possible.

Several of the leading dairymen of the city producers submitted to individual inspection of their cows in their herds. Direct counts were made of the milk from each quarter of each cow's udder and in this way, a check-up was made of the source of organisms from the cows themselves. Producers, whose herds were tested in this manner, were able to isolate high organism-discharging cows and thus cut down on their bacteria counts in the final products. It is impossible to produce clean, sanitary, germ-free milk when the cows themselves are a source of contamination.

By the use of this direct count method, chronic cases of garget in cows can be detected and the cows removed from the herds. This disease is very contagious and results in a great economic loss to farmers yearly as well as a nuisance in the form of a disease spreader.

Because of the low level of prices of farm products, it is not to be expected that many farmers will install expensive equipment. Good clean milk is not produced by using expensive equipment but rather by the careful, conscientious farmer with the equipment he has.

FORREST A. SMITH,

Inspector.

GENERAL MILK INSPECTION STATISTICS

Classification of dairies according to score:

Dairies were all scored on the first inspection. An

average grade was found and all those below this grade rated a second check-up.

Score	Below	60	60-65	65-70	70-75	75-80	80
Dairies	20		28	23	18	18	5
Samples of Milk and Cream analyzed							145
Samples unsatisfactory (high bacteria count)							16
Samples unsatisfactory (excess sediment)							23
Samples unsatisfactory (below standards, solids)							10
Inspection details:							
Stores, restaurants, etc., inspected							101
Stores, restaurants reinspected							10
Wagons and trucks (milk) inspected							105
Visits to dairies							255
Dairies scored							112
Visits to creameries							10
Licenses:							
Number of licenses granted to stores							91
Number of licenses granted to producers-dealers							93
Number of licenses granted to dealers							9
Number of licenses held up for improvement by producers							11
Number of licenses refused							5
Number of licenses given after rechecking							5

CHILD HEALTH CONFERENCE

A Child Health Conference was conducted by this division in August at Lakeport, in cooperation with the local Board of Health, Woman's Club, School department, physicians and nurses.

Babies and preschool children examined	74
Number found with physical defects	55
Number of defects found	107
Number placed under treatment	28

The examining physicians were: Dr. M. Alice Normandin, Dr. J. R. Perley, Dr. E. J. Gage, and Dr. Park R. Hoyt.

MATERNITY CLINICS

A Maternity Clinic has been conducted the third Wednesday of each month since December 1931, at the Laconia Hospital, in cooperation with the Belknap County Commissioners, local physicians and nurses. Transportation has been provided by the Lakeport and Laconia Woman's Clubs.

Total attendance in 1932	48
Prenatal	42
Postnatal	5

The necessary medical supervision, nursing service, and in many cases hospitalization have been provided the patients, by the County.

VIVIAN M. JENNINGS,

Field Nurse.

REPORT OF LIBRARY TRUSTEES

To the Honorable Mayor and Members of the City Council:

In making a report to you of the activities of the Laconia Public Library during the past year and its needs for another year there are some changes in conditions that should be considered.

The past year has witnessed the largest circulation of books in all the years since its beginning, due no doubt largely to the fact that so many people are out of employment and spend more of their leisure in reading. This large distribution of books entails extra service on the part of the Library staff and should have an extra expenditure for new books as the old ones are constantly wearing out.

Our beautiful library building provided us by the generosity of Napoleon B. Gale is older and will constantly need a larger sum spent on repairs to keep it in proper condition.

It has always been the policy of your trustees to use the utmost economy in the management and the expenditure of money, saving all that was possible for the purchase of new books.

You will remember that we have not only the Gale Library but also the Goss Library at Lakeport under our care and supervision which requires a substantial increase in expenses.

We appreciate the fact that the depression that has prevailed for such a long period requires and should receive the strictest economy in all the departments of our City Government and as far as possible we are ready to do our share in every way to curtail expenses, but with these vital needs for economy we realize also that blind slashing without thought of effects may cost our citizens and tax payers far more than apparent savings.

Without fixed charges that cannot be reduced and the

importance of furnishing our readers with a proper supply of new books that are so necessary at this time, no substantial reduction can be made.

We ask today as we have always done for any suggestions from those interested in our library regarding its management or the selection of books.

All such advice and co-operation will receive as it should and always has received the careful consideration of your trustees.

The total circulation for the year 1932 was one hundred thousand seven hundred and seventy-eight an increase over 1931 of eight thousand five hundred and forty-one.

Very few books have been purchased for the past two years and the Library cannot function successfully much longer without new books. Repairs and a new boiler for the Gale Library during the past year required a capital investment of about one thousand dollars, and the Goss Library is in such condition that a certain amount of repairs will be imperative this year.

WILLIAM F. KNIGHT
STANTON OWEN
ARTHUR W. DINSMOOR
WELLINGTON L. WOODWORTH
FREDERICK W. FOWLER
LINNIE L. SLEEPER
JOHN S. GILMAN

Trustees.

REPORT OF TREASURER

To the Board of Trustees of the Laconia Public Library:

I herewith submit my report as treasurer of the Laconia Public Library for the year ending Feb. 15, 1933, as follows:

Cash on hand Feb. 15, 1932	\$ 119.26
Received from City of Laconia	4,000.00

Received from Gale Estate	2,888.52
Received from Goss Estate	551.13
Received from Fines, etc.	420.33

FIRE DEPARTMENT

To the Honorable Mayor and City Council:

Gentlemen.

During the year 1932 the Fire department responded to Fifty Box Alarms, and One Hundred and Seventy-nine Still Alarms which were quickly extinguished without serious loss of buildings and contents. Most of these fires were caused from defective chimneys, hot ashes in wooden containers, short circuits in automobile cars, oily rags, etc.

Total insurance paid for the year was \$14,964.08.

The Personnel of the Fire Department is as follows:

Chief and four assistants. Six full time drivers of apparatus. Fifty-two call men divided as follows: Twenty-two at Laconia, twenty at Lakeport, ten at Weirs.

The Fire Fighting Equipment is in fairly good condition. New tires will have to be purchased this coming year for the seven hundred and fifty gallon pump, and the Ladder Truck. The roof of the Lakeport station must be repaired.

Respectfully submitted,

ARTHUR W. SPRING,

Chief of Department.

LIST OF FIRE APPARATUS

One piece, a seven hundred and fifty gallon pumper purchased in the year 1916.

One city service ladder truck purchased in 1925.

One Pierce-arrow built over into a combination chemical and hose wagon.

At the Lakeport station, one six hundred gallon pumper purchased in 1923.

One ladder truck built over from a Garford truck, in 1926.

At The Weirs, one Packard built over as a combination hose and chemical wagon.

One forest fire pump.

8000 feet of 2½ inch good hose, and 1500 feet of 1½ inch good hose.

The valuation of the fire fighting equipment is about \$40,000.

The valuation of the fire alarm system is about \$19,750.

The valuation of the buildings \$38,000.

Total, \$97,750.

BOARD OF PUBLIC WORKS

Laconia, N. H., February 15, 1933.

To the Honorable Mayor and City Council: :

We hereby submit the twenty-third annual report of the Board of Public Works, together with the detailed report and recommendations of the City Engineer and Superintendent of Streets and Sewers.

So far as possible, with the appropriations provided, the routine maintenance work has been attended to, during the past year, together with such special work as has been authorized, as will appear from the appended reports showing all expenditures in detail.

Effective July 5, 1932 we issued an order, cutting wages practically ten per cent, affecting all connected with the Department and have operated on this basis, since that time. The wage paid for common labor was fixed at \$3.00 per day, the minimum rate in effect in the State of New Hampshire, for Joint Fund work on the highways, both construction and maintenance, in the several towns and cities.

There exists here, as elsewhere, a strong demand for lower municipal appropriations and a consequent reduction in local taxes; and here, as in many other places, a difficult problem is presented, viz. how, with decreased allotments, to furnish the service expected and demanded by the public.

As regards the work under the supervision of this Department, many contend that no extensions or construction work on streets, sidewalks or sewers should be undertaken this year, under any circumstances, while others reply that public work of this nature furnishes employment to many of our citizens, who would otherwise be out of work and in need of assistance from the city, and point to the very great benefit the construction of the Winnepesaukee Shore Road from Weirs toward Gilford, the Meredith Centre

road, the Weirs Bridge construction and the building of a mile and a quarter of surface drains, has been to local citizens, the past year, for as Mr. French suggests in his report, it is estimated that from 60% to 90% of all the money expended by the Public Works Department goes as wages to local labor.

In the matter of suggested reductions of Maintenance expenditures, as we have stated before, the city has a large amount of money invested in improved streets and sidewalks, which must be properly maintained to protect this investment, as well as to satisfy the demands of our citizens, accustomed to the use of good streets and walks. It is not true economy to allow the street surfaces to disintegrate and the sidewalks to become rough and broken, and whatever the decision as to construction work, this year, we earnestly urge an adequate maintenance appropriation.

The amounts necessary for maintenance work constitute practically a fixed charge unless the rate of wages is still further reduced. The continuation of the oiling and patching work is essential, and the continuation of the graveling of earth roads is advisable if the necessary funds can be provided. The scavenger service is not only of great benefit to the people but it is essential for the protection of the public health, and we believe this service should be continued, either by the department, or through proper contract, under its supervision.

City Councilman Morin, Dr. Normandin, and Messrs. Cheney and Cantin of the Advisory Committee have conferred with the Board. In order to reduce the appropriations for the Department for 1933-34 they have urged the elimination or reduction of some of the present services rendered by the Department. The Board is of the opinion that they should submit their recommendations for appropriations for the ensuing year, in the alternative, so that the Mayor and City Council may determine the policy of the Board's pro-

ceeding to carry on substantially the same service during that period, or the Board's making such reduction in the present service as to operate on a reduced appropriation.

Accordingly, the Board recommends the following appropriations for the year 1933-34 on the basis of substantially the same service as last year.

Bridge Repairs and Maintenance	900.00
Cleaning Catch Basins	1,250.00
Cleaning Streets	3,500.00
City Engineering	1,500.00
Cutting Trees, Grass, Brush	1,000.00
Insurance	700.00
Highways and Bridges	15,000.00
Maintenance of Macadam	4,500.00
Drain Repairs and Maintenance	1,000.00
Sanding Sidewalks	950.00
Collection Ashes and Waste	6,500.00
Sewer Maintenance	3,600.00
Street Oiling	8,500.00
Recovering Sidewalks	2,500.00
Winter Expenses	14,000.00
Graveling Streets	5,000.00
Purchase of Equipment (Trucks)	6,500.00
	<hr/>
	\$76,900.00

If the policy of the city government is to eliminate or reduce some services now performed by the Department, we offer for consideration the following list of appropriations for the year 1933-34:

Bridge Repairs and Maintenance	700.00
Cleaning Catch Basins	1,250.00
Cleaning Streets	3,000.00
City Engineering	1,500.00
Cutting Trees, Grass, Brush	700.00
Insurance	700.00

Highways and Bridges	15,000.00
Maintenance of Macadam	4,500.00
Drain Repairs and Maintenance	1,000.00
Sanding Sidewalks	950.00
Collection Ashes and Waste	4,700.00
Sewer Maintenance	3,600.00
Street Oiling	8,500.00
Recovering Sidewalks	2,500.00
Winter Expenses	10,000.00
Purchase of Equipment	1,000.00
	<hr/>
	\$59,600.00

If the appropriations are made on the basis of reduced service, the material changes in the service, contemplated by the Board will affect the collection of ashes and waste and the winter expense and will eliminate the graveling of streets.

We believe that the change in collection of waste can be made without injury to the public health, though it may be at some inconvenience to the public. The winter expenses can only be reduced by less plowing of roads and streets and by less snow removal. The graveling of streets can be suspended for a year, without great permanent injury to the highway system.

If these reductions are made, the appropriation for purchase of equipment can be reduced as indicated in the last schedule.

The Board is anxious to cooperate in the effort to reduce expenditures in all City Departments. We desire to make it clear that the appropriation recommendations totaling \$76,900.00 are, in its opinion, necessary, if the Department is to carry on substantially the same service as it has the past year, and that the reduced appropriation recommendations are based upon elimination or reduction of present service.

If the Mayor and City Council determine as a policy that the present service should be reduced, we will cooperate to the fullest extent to carry on the work of the Department as efficiently as possible, under the appropriation schedule totaling \$59,600.00; this may be accomplished unless we are confronted with unusually severe winter conditions, or other emergencies.

Respectfully submitted,

HARRY L. SMITH

OSCAR L. HOYT

Board of Public Works.

REPORT OF THE STREET, SEWER AND ENGINEERING DEPARTMENT

To the Board of Public Works:

Gentlemen:

The following is presented as the report of the Public Works Department for the year ending February 15, 1933.

BRIDGES

But little work was required on the city bridges during the year.

The Weirs bridge, so called, was taken over by the State Highway Department and a contract was let by the State, assisted by the Federal Government, to rebuild this struc-

ture, together with the bridge over the railroad, in a permanent manner. The city is thus relieved of its care and maintenance for the future.

Funds should be provided to clean and paint the Fair street and Messer street bridges this year as this work should no longer be delayed.

DRAINS

In order to provide work for unemployed, surface water drains were built with costs as follows:

Franklin, School, Fairmont, Washington and Bell Streets,	\$5,385.22
Garfield Street	337.59
Tower Street	1,278.70
White Oaks Road	1,477.42
Walker Street	474.33
<hr/>	
Total 1.28 miles	\$8,953.26

The 23.62 miles of surface water drains were maintained in good condition.

GRAVELING STREETS AND ROADS

The sum of \$6,026.69 was expended in putting a gravel surface on various street and outlaying roads preparatory to the application of a surface treatment of asphaltic oil.

PAVEMENTS

The following areas of pavements were maintained:

Bituminous Macadem	224,038 sq. yds.
Bituminous Concrete	17,980 sq. yds.
Water Bound Macadem, surface treated	22,758 sq. yds.
Granite Blocks	5,054 sq. yds.
Cement Concrete	4,305 sq. yds.
Faving Brick	245 sq. yds.

SANITARY SEWERS

The 30.59 miless of sanitary sewers were flushed, cleaned, roots removed and maintained in good condition at a cost of \$3,946.55.

SIDEWALKS

4,598 sq. yds. of bituminous sidewalks were recovered and 98 sq. yds. of new sidewalk were built on Bowman St.

OILING STREETS

97,559 gallons of asphaltic road oil were applied to streets and outside roads. The yearly application and sand cover, not only keeps down the dust but gradually builds a wearing crust on road surfaces which preserves them from becoming muddy and rutty and from washing away in times of heavy rains.

GENERAL

The work provided by the appropriation for the construction of the road from the Weirs bridge, easterly, to the Gilford town line was a great help to the unemployed of Laconia.

This fund was provided by a special act of the Legislature which allotted \$30,000.00 for the work, one half of which was to be furnished by the State and one half by Laconia. It was agreed that if Laconia would appropriate \$5,000.00 in 1932, \$5,000.00 in 1933 and \$5,000.00 in 1934 the State would furnish the money to complete the job. This agreement was carried out, the city built the road under the direction of the State Highway Commissioner and local labor was employed on the job exclusively. The maintenance of this road will be paid by the State.

Another great help to unemployment was the construction of a part of the much travelled road leading from North Main street to Meredith Center, New Hampton and Bristol. The Governor and Council allotted Laconia \$9,012.62 for road work from unemployment relief funds and the Mayor was successful in getting an additional \$8,000.00 which was applied on this road.

The amount necessary for supplies was a minimum and the money was used to give employment to local labor exclusively.

It is hoped that funds will be supplied from some source to continue this helpful piece of construction work.

Some of the trucks of the Street Department have reached the stage where they are practically worn out and the cost of repairs are excessive. Some of these trucks date from 1925 and have run 300,000 or more miles. It would be a real economy to replace them with more up to date vehicles. The cost of collection and disposal of ashes and waste would be less and the plowing of snow would be more efficiently carried out.

The expenditure for snow removal and the maintenance of winter roads for auto travel is a large item every year but as 90% of the cost goes to local labor, the cost of unemployment relief is lessened by that amount.

It is estimated that from 60% to 90% of all money expended by the Public Works Department goes as wages to local labor and is a material help in these times of financial stress.

Respectfully submitted,

CHARLES A. FRENCH,

City Engineer, Supt. of Streets and Sewers.

CITY SOLICITOR'S REPORT

To the Honorable Mayor and City Council:

I hereby submit my report for the year 1932.

There are pending on the docket of the Superior Court for the County of Belknap, four cases. The case of Rebecca Houle et al vs. Laconia, is an appeal from an award of one dollar damages for the taking of 275 square feet of land on Main Street. This case has been on the docket since September 23, 1921 and can be settled for the sum of twenty dollars. I recommend that the matter be disposed of for that amount.

The case of Joseph Bolduc vs. Laconia is also an appeal from an award of \$400 for the taking of 2203 square feet of land on Baldwin street. This matter has been pending since February 26, 1925 and should be adjusted. The sum of four hundred dollars is being held by the treasurer for this purpose and negotiations are under way for settlement.

There are also pending two cases in which the City is plaintiff; one is an action against the County of Belknap seeking to recover money for aid erroneously furnished a pauper during the years 1924 to 1928 in the amount of twenty-four hundred dollars. Part of the testimony is before the Court and the case awaits the taking of testimony from two more witnesses before being transferred to the Supreme Court on questions of law. The other case is a petition seeking to abate a nuisance on Messer street and will be in order for hearing at this March term of Court.

Department heads have been advised and all criminal cases in which the City has had an interest have been properly disposed of.

My office is always open to any City official and to any other person who seeks advice on matters of public interest.

Respectfully submitted,

HAROLD E. WESCOTT,

City Solicitor.

POLICE DEPARTMENT

REPORT OF POLICE COMMISSIONERS

To the Honorable Mayor and City Council:

The undersigned Police Commissioners for the City of Laconia respectfully submit the following report of George N. Hubbard, Chief of Police, for the year ending January 31, 1933.

CHARLES J. PITMAN

JAMES A. PAYSON

JOHN M. GUAY

Police Commissioners.

Attorney's fee as counsel for minor	\$5.00
Witness' and officers' fees	665.62
Clarence S. Newell, treasurer, cash	4,149.81
	<hr/>
	\$4,820.43

Respectfully submitted,

EARL FLANDERS,

Clerk.

REPORT OF OVERSEER OF THE POOR

To his Honor the Mayor and City Council:

This department has been hard hit by business conditions. Beside the usual run of dependents, it has been called on to partly, and in many cases to entirely support whole families usually in comfortable circumstances.

The unemployment situation has become serious, and would have been more so, but for the efforts of Mayor Carroll in securing Federal and State aid for highway and bridge construction, thereby furnishing employment for men who can do the work.

It has been necessary to provide clothing for many school children, especially in the line of footwear and under-clothing.

We would especially acknowledge valuable assistance from the local Red Cross chapter, for supplies of flour, cloth, and clothing, to Malcolm Barney of the Laconia Creamery for large quantities of milk and to Thomas J. McIntire for many barrels of vegetables. The A. & P. and First National Stores have generously donated orders for distribution of groceries to the unemployed. The Pitman Mfg. Co., have given hosiery, for which there is constant demand.

This department would appreciate donations of clothing, especially for use of school children and for men doing outside work.

Respectfully submitted,

A. C. S. RANDLETT,

Overseer of the Poor.

REPORT OF TREE WARDEN

To the Honorable Mayor and Council:

The city shade trees are sick at the beginning of the year 1933. Trees are infested with Gypsy and Brown tail moths, and other insects. Our City Council have made no appropriation this past year for the care of the trees.

No pruning has been done the past year. A small amount of money should be appropriated each year to preserve our shade trees.

In a few years Laconia will have no shade trees on her streets, owing to decay, and concrete material too close to the trees on the side walks to allow moisture to get to the roots, also there are a lot of insects that strip our shade trees of their foliage.

Another menace to our shade trees are overhead wires. The limbs are exposed to the high voltage which kills the tree. This is a short story of the condition of our shade trees at the present.

ARTHUR W. SPRING,

Tree Warden.

PARK COMMISSION

To the Mayor and Council of the City of Laconia:

Gentlemen :

The Park Commission is pleased to submit for your consideration its eighteenth annual report.

Your Commission believes this to have been one of the most successful seasons since the playground system was instituted not only in attendance, but in the interest manifested by the parents and the public generally, in support of the efforts of the instructors to give their best thoughts to those under their charge.

The Opechee Park Playground was under the supervision of Mr. Reginald Clement and Miss Anna Collin and we present their report for your consideration.

The Playgrounds opened officially Tuesday morning, July 5th. The first week was devoted to organizing Tournaments in Horse Shoes and Checkers. Both Junior and Senior Baseball Teams were organized.

To create interest in Athletic contests, a point system was adopted at the beginning of the year which proved very successful. Three prizes were awarded the highest point winners at the end of the season.

Every Thursday was "dinner day" and a large number of children enjoyed their lunches down by the water front.

Due perhaps to the fact that Swimming was held only once during the day, it was easily the most popular activity at the Park. Although our daily attendance on the playground averaged 178, the average attendance in the water was between 100 and 125 with 223, the largest number counted at one time in the water.

Racing Platforms were constructed in the water 60 feet apart which served a double purpose; first, they were used

for swimming races, and second, they served as a crib for the youngsters and the beginners.

63 children were awarded the Red Cross beginner's Button and 22 were awarded the Red Cross Swimmer's Button. During the last four weeks a special Swimming Class was held in the morning from 10:30 to 11:30 to instruct Life Saving Methods to those preparing to take the Red Cross Life Saving Tests.

The two most popular sports on land were Tennis and Baseball. Both Tennis Courts were occupied all day long during the whole summer which shows its popularity. Baseball was also popular among the younger children.

Although we had only seven rainy sessions during the season, we can be thankful to the City of Laconia for having repaired the Grandstand.

In door games were held under the grandstand during rainy sessions. Many of the children's parents visited the playground during the season.

Leavitt Park was fortunate to have Mr. Charles F. Peterson return to us for his seventh consecutive summer. Under his able guidance and with Miss Esma Ford, who formerly had been at the South End Playground, a very successful season ensued.

With the help of the older boys and many of the parents who were interested, the swimming facilities were improved tremendously. The rocks, bushes, and general debris were removed from the shore line to a distance of twenty-five feet from shore, the front was walled up, a large area was cleared and rustic seats and tables were built so that a very attractive and wholly clear and safe bathing beach is now available.

During the summer season fifteen twilight league ball games were played at five o'clock and during this skating season, five hockey games with nearby towns have been

played, so that Leavitt playground is used alike by young and older youngsters.

An average attendance of 176 used the playground during the instruction season.

The usual Playground Carnival with band concert was well attended and patronized and the parents with their usual cooperation took charge of the booths.

During the Fall a building 30 ft x 60 ft to be known as Leavitt Playhouse was erected. A beautiful fireplace of red and gray brick occupies the center of one side while opposite it is a double French door opening on to an outside covered platform which has been designed for use as a stage. Footlight and overhead lighting has been arranged on this so that it can be used for band concerts or outdoor pageants as desired. The lighting fixtures throughout are of Gothic design and harmonize especially with rough finish and the hardwood floor.

Perhaps the grading of the lot has improved the Playground as much as anything and if the children's gardens which are planned materialize we are sure that what has always been but a sand heap and rock pill will blossom with roses.

The South End Playground under the leadership of Miss Helen Ford had a very successful season, the attendance was good and her efforts were well supported by the parents of the children.

We again call your attention to the need of of a suitable building on this playground and the construction of proper toilets at Opeechee Park.

The appropriation of \$850.00 which was made for the repairs to the Grandstand was turned over to the Park Commission to carry on the work. There is a balance of \$24.08 unexpended.

You will note an overdraft of \$85.65 in the appropriation for the playgrounds, we account for this as follows:

In making the repairs, as authorized, to the Grandstand it was necessary to remove the locker room and construct a new one and it was at times difficult to divide the repairs between the Grandstand and the Playground.

When the repairs had been completed as authorized by the Mayor and your Committee, it left the west side and north end of the Grandstand without paint and the Commission were authorized to complete the job at a cost of \$68.00. Owing to some adverse criticism in regard to, repairing the Grandstand and the difficulty in dividing the expense as before mentioned we thought better to have an overdraft in our appropriation than to bring the matter again before you.

In other words instead of having an overdraft in our accounts we have a credit \$6.43 as shown above.

We also call your attention to the fact that we turned back into the treasury from our appropriations for 1928 to 1931 inclusive the sum of \$1,638.75 or nearly twice the cost of all the repairs that we have made and now the Grandstand is better than it was originally built, as all the walk ways are now protected from the weather and new posts have been set on cement footings.

The Commission and Instructors wish to extend their thanks to the Mayor and Council for their appropriation and to the public for their hearty cooperation.

Your Commission suggest the usual appropriation be made for Playground purposes.

Respectfully submitted,

ALFRED C. WYATT
BERNICE M. SEEVERNS
C. E. ROWE
W. E. DUNLAP
ELIZA J. SOULE

Park Commissioners.

Respectfully submitted,

CLARENCE S. NEWELL,

City Treasurer.

CITY EXPENSES

For the year ending February 15, 1933

Being an itemized account made up from the books of the City Clerk of the payments made by the City Treasurer on account of running expenses.

The arrangement of the details of expenditures which follow is intended to give such information as is desired by the public.

Items of payment to the same person or firm at different times are included in the aggregate amount given, if paid for the same objects. Efforts have been made to ascertain and pay all approved bills to date.

AUDITOR'S REPORT

To the Honorable Charles E. Carroll, Mayor and the City Council, Laconia, N. H.:

Gentlemen:

Pursuant of my duties as City Auditor, I have audited the financial accounts of the City of Laconia for the fiscal year ended Feb. 15, 1933.

I present herewith the following exhibits showing the financial condition of the City as at February 15, 1933, namely:

Exhibit I—Appropriation Accounts year ending February 15, 1933.

Exhibit II—Excess and Deficiency Account.

Exhibit III—Balance Sheet as at Feb. 15, 1933.

Exhibit IV—Serial Debt as at Feb. 15, 1933.

The following items appearing in the balance sheet are commented upon as follows:

ASSETS

<i>Cash</i>	\$21,098.34
-------------	-------------

The cash balance was verified by the various bank statements and compared with the City Clerk's ledger.

<i>Accounts Receivable—Taxes</i>	\$56,331.41
----------------------------------	-------------

The records of the Collector of unpaid taxes were examined and lists were drawn there from and compared with the controlling account in the City Clerk's ledger. The commitment of taxes for 1932 and additional taxes for 1932 and prior years were examined. All abatements of taxes were supported by properly approved vouchers from the board of Assessors.

Property Sold City For Taxes \$10,291.91

The amount was in agreement with the controlling accounts in the City Clerk's ledger.

Balance Deficits \$7,036.27

The deficit was due to over drafts of several of the departments also abatements of taxes.

LIABILITIES

Miscellaneous Liabilities \$999.87

This amount consists of various items due for damage claims.

Motor Vehicles—1933 \$6,771.38

This was found to be in agreement with the City Treasurer.

Notes \$50,000.00

This was necessary due to the unpaid taxes of \$56,331.41.

Unexpended Appropriations \$34,866.37

Appropriations made during the year under review were verified with the records of the City Council. All payments made during the year were properly approved on the Treasury Warrants.

Approval for all transfers was voted for by the Mayor and City Council.

School Department

The records of this department were examined and compared with the City Clerk's ledger.

Exhibit II of this report shows the credits that accrued and the debits arising from the account for the year under consideration.

Serial Debt

The Serial Debt outstanding at Feb. 15, 1933 is detailed

in Exhibit IV, showing a net decrease of \$41,250.00. The Serial payments and Bonds were examined covering the debt matured during the year.

Cemetery Funds

The Cemetery Funds were invested as follows :

City of Laconia 4% Serial Notes	\$20,000.00
Savings Banks Accounts	20,938.59
2 Shares Laconia Water Co. Capital Stock	100.00
First Liberty Loan Bond	50.00
	<hr/>
Total Principal	\$41,088.59
Balance of unexpended income in Savings Banks	\$3,512.18
	<hr/>
	\$44,600.77

The securities and pass books of various banks were found to properly account for the funds. The expenditures from the interest of the Trust Funds were properly vouched for.

Library Trust Funds

The books of the treasurer were examined. The expenditures were verified with the paid checks, which were examined.

The securities and pass books were examined and found to properly account for the funds.

I wish to express my appreciation for the courtesies extended by the various departments during my examination.

CHARLES F. AYERS,

Auditor.

CERTIFICATE

This is to certify the accompanying balance sheet and statement of the Serial Debt reflect the financial condition of the City of Laconia as disclosed by its books at the close of the fiscal year ended Feb. 15, 1933. I further certify that I have audited the income and expense accounts of the City for the year under survey and have found them to be correct as set forth in my report submitted herewith.

CHARLES F. AYERS,

Auditor.

SUMMARY OF VITAL STATISTICS

Number of births	308
Number of births not previously recorded	4
Number of marriages	84
Number of deaths	179
Number of deaths occurring at Belknap County Farm	6
Number of bodies brought here for burial	45

By Chapter 106, N. H. Laws of 1917, the Clerks of Cities and Towns are required to send a copy of every child's birth certificate to its parents, and if said copy is not received within sixty days from date of child's birth, the parents should notify the City Clerk, in order that same may be placed on record.

Efforts have been made to make the records of vital statistics correct as possible. Should any error or omission be detected, the City Clerk will appreciate the kindness conferred by being informed of the same, that the records of the city may be made right.

EARL FLANDERS, *City Clerk*

INDEX
